

The Deeper Revolution

How Worldviews Shape
Western International
Politics

Emily Lange

NEW BOOK

An invitation to take a step back and reflect about
hard and basic questions...

- A “big think” on international relations
- Four major international revolutions:
Protestant Reformation & the French,
American and Russian Revolutions
- Values and beliefs as part of our political
constructs and everyday life.
- Often overlooked: the shift in worldview going
on in the background: the *deeper revolution*...
